

2008 Spaghetti Supper

Summary:

Followed 2007 summary and lessons learned.

Things we added to the event:

The night of the supper we had two tables stocked with juice, milk, & water. We had two 8th graders manning each tables (restocking and handing the drinks to servers). The 8th graders received credit towards volunteering for health class (Ms. Heigl).

Two parents walked the dining area pouring coffee and tea with baskets in arm filled with creme, sugar, stirrers & cups. This worked out really well.

Committee chair for beverages writes Thank you letters to company's who donated.

* Recommendations:

I recommend not soliciting Owater and Polar Water in the future. Both companies donated based on a personal relationship with Sandy Nash and mentioned they would like to pass on the following year.

NOTE.....Sunny Delight

I would recommend asking for more than 10 cases of juice when inquiring for a donation. (Comment was made to me when picking up donation they usually give more than 10 cases to school fundraisers) worth a try!

Donated 10 cases water
*see notes on recommendations for future contacting

Beverage Committee also served tea: had a hot water pot in the dining area.

Milks from school food service - ordered 300 too much
(200 is suggested for future)
Creme for coffee ordered from ^{school} food service - used very little
(suggest using 1% milk instead).

Sample letter

Dear Sunny Delight Beverages,

Thank you for your consideration of making a donation to the Carlisle Public School's Class of 2011 annual supper on October 7, 2008. This traditional feast is highly anticipated and attended by the members of the community and serves as the main fundraiser for the current sixth grade class. The funds raised by this event help propel the students through some of the costs associated with their middle school experience.

As a donor of the Spaghetti Supper your name and business will be proudly displayed on posters in the dining hall as well as printed on each program that is distributed to the participants. The supper attracts approximately 1,500 people from Carlisle and surrounding towns. In addition to our public "thank you" your donation is also tax-deductible. A copy of a tax-exempt non profit status form is included.

The Beverage Committee needs to supply 1,500 water bottles and juice boxes for this event and would greatly appreciate any donations you could make to help us reach our goal.

Your donation will be greatly appreciated by all the sixth graders.

Sincerely,
Kristie Ridick
